## MEMORANDUM FOR THE RECORD

FROM : Chief, Technical Accounting Staff

SUBJECT : Comptroller General's Decision B-119210,  
16 August 1954 - Payment of Registry Fees on  
Mailing Correspondence

1. The subject decision provides that registry fees on official domestic letters and parcels mailed via surface mail in Washington, D. C. may not be paid and charged to appropriations of the various departments and agencies in the absence of specific authority in the appropriation acts or other law.

2. In this Agency it is the practice because of security requirements to prepay postage and registry fees on certain mailings, utilizing for this purpose postage purchased from overt allotments.

3. In the light of the subject decision and the Agency practice referred to in the preceding paragraph, a question was raised with the Office of the General Counsel concerning the authority for utilizing overt funds for such registry fees.
